

## Membership

Contributed by Administrator

MembershipThe Friends have been meeting since June 2006. Membership of FoAG is open to everyone with an interest and we welcome all ages. A minimum annual donation of £1 is requested to support admin costs. Some of our members are as young as 5 or 6 and come to all our events. Our members include residents, a local councillor, members of green groups such as Friends of the Earth, and the Sunlight Development Trust. We work closely with Fort Amherst, Mid Kent College and Chatham World Heritage Partnership, whose representatives are all active members of the group. We meet regularly to review plans and progress on the park, scheduled to open in the autumn of 2009. Meetings are held once every six weeks at 6pm on a Tuesday evening at the Sunlight Centre. We welcome new members. Just come along. Please click [here](#) to download a membership form or contact us by post or phone.
